Rx

Used Oclumet in patient
(Dogs) for Cataract grade IV-V/V

Have used in 8-9 patients.

3 were very happy. 1 No
response. 4-5 waiting to

Recheck. Overall I am
very impressed to have a
choice in poor patients (clients)

Blind pets. I feel it is
definitely worth using in
Cataract patients like company
claim 80% response I will
be very Happy to recommend
